Conditional Borrower Intake

This form supports an own request or a representative completing it for another person.
For an own request, complete the borrower section and leave representative fields blank.
For another person's request, complete both sections. Never copy one person's facts to another.
Establish which request applies before asking for personal details.

Borrower name

Representative And Routing

Representative name is applicable only when completing a request for another person.
Routing code is an office-use field; no code-to-purpose mapping is provided in this form.
Do not guess an office routing code. Ask whether separate office instructions exist.
